Any property receiving water service outside the corporate boundaries of the City of Winslow shall pay a rate two times the in City of Winslow rate. Any customer outside the City of Winslow corporate boundaries on the effective date of the adoption of the Water and Wastewater Policy (Resolution No. 1392, December 12, 2006) shall continue to receive the service at one and one-half the rate of the in City of Winslow rates.

#### SECTION 5-3 (2) Water Rate Discounts for Low-Income Households

A policy providing for discounts for low-income households, residing in an owner-occupied residential property, is hereby established:

- 1) Property owners shall be eligible for a forty percent (40%) discount per month on water rates up to the first 15,000 gallons by completing and submitting an application available from the City of Winslow Finance Department, provided the total income for the household is no more than one hundred percent (100%) of the Federal poverty guideline for a two-person household and the head of the household provides proof of income satisfactory to the City.
- 2) Proof of income shall consist of the head of household's most recent Federal income tax return or such other proof as may be satisfactory to the City. Proof of income shall be presented annually by the anniversary date of approval of the initial application.
- 3) A low-income property owner shall not be eligible for more than one discounted rate at a time, which shall be applicable to only one owner-occupied residential property.

#### SECTION 5-4 Rate Per 1,000 Gallons – Non-Residential Customers

The charge will be \$2.97 plus sales tax per 1000 gallons within the City. The charge for delivering water to customers outside the City limits shall be as described in Section 5-3(1).

SECTION 5-4 (1) Tiered Rates Per 1,000 Gallons – Residential Customers

The water rate will be \$2.56 per 1,000 gallons up to 15,000, \$3.08 per 1,000 gallons for the next 5,000 gallons, and \$5.13 per 1,000 gallons over 20,000 gallons.

The charge for delivering water to customers outside the city limits shall be as described in Section 5-3(1).

SECTION 5-4 (2) Water Surcharge – Water Rights

A monthly surcharge shall be charged to each active customer account to help offset legal fees associated with the City's Water Rights. The fee per residential meter will be \$2.84. All commercial accounts will pay a flat \$10 base charge each month for up to the first 50,000 gallons of water used. Commercial customers using more than 50,000 gallons of water each month will also be assessed an amount of \$15 for each additional 50,000 of water used in addition to the base charge.

SECTION 5-5 Service Calls

During working hours \$25.00

A minimum of \$75.00 will be charged for any service call up to 2 hours after normal working hours (7:00 a.m. - 4:30 p.m.) and on weekends and holidays.

SECTION 5-6 Water Past Due Charges

Bills paid after the due date shall accrue a late fee of \$20.00 for each active bill that is paid after the due date unless a repayment agreement has been approved as indicated hereafter and is kept current. Bills not paid within twenty-one (21) days shall result in discontinued service and a reconnection fee of forty (\$40.00) dollars together with any bills for repairs to meters or pipes made necessary by carelessness or willful damage on the part of the consumer, payment of current maximum deposit fee and all past due accounts in the same name, will become payable before reconnection, unless a written repayment agreement is signed by the City Manager.

SECTION 5-6 (1) Turn On Fee

A turn on fee of \$15.00 will be charged for new customer accounts.

SECTION 5-6 (2) Transfer Fee

A transfer fee of \$15.00 will be charged for an existing consumer moving from one address to another.

SECTION 5-6 (3) Meter Testing Fee

Each consumer shall have the privilege of insisting upon a meter test. Once the customer signs an agreement with the city, the meter will be pulled and sent in for testing, and a new meter will be installed. The agreement states that if the meter is found to be registering correctly or in the customer's favor, the customer will be billed for the total actual cost the Water Division incurred for testing services rendered. If the meter is found to be defective, or over-registering, the city shall make reasonable adjustments to the customer's bill for any overbilling associated with the defective meter.

SECTION 5-7 Stand Pipe Service

No ready to serve charge shall be charged for a water stand pipe when the water stand pipe is used solely for the purpose of standby fire protection. A ready to serve charge shall be charged for a stand pipe for each month or fraction of month based on meter size in subsection A of this section if it is used for other than standby fire protection service.

SECTION 5-8 Auxiliary Meter or Fire Hydrant Service

No ready to serve charge shall be charged for an auxiliary meter or fire hydrant service when the auxiliary meter or fire hydrant service is used solely for the purpose of standby fire protection. A ready to serve charge shall be charged for an auxiliary meter or fire hydrant service for each month or fraction of month based on meter size in Section 5-3 if it is used for other than standby fire protection service.

SECTION 5-9 Unmetered Fire Service Lines Shall Not Be Permitted

All fire service lines shall be equipped with a bypass meter and assessed a ready to serve charge based on bypass meter size as shown in Section 5-3.

SECTION 5-10 Bulk Water Rates

\$5.00 per 1000 gallons plus sales tax for residents. Non-resident fee will be double the resident fee.

SECTION 5-11 New Water Connections

Any new connection to the water system shall be assessed a plant investment fee. Said fee shall be based upon an equivalent residential unit (EQR) as indicated:

One (1) EQR = 1.0 X \$330	\$330.00
5/8" to 1" meter, less than 10'	770.00
5/8" to 1" meter, more than 10' up to 20'	870.00
5/8" to 1" meter, per ft' beyond 20'	43.50

All other service lines above 1" in size will be charged for actual cost of labor, materials, incidental expenses and overhead, plus a 10% administrative charge. Costs will be estimated at time of permit fees paid and any balance due or overpaid will be billed or refunded before service is turned on.

Water Deposit See Section 5-2

Right of way saw cut & repair fee \$400.00

Sewer deposit (see Section 10-11)

Ten percent of all funds accruing pursuant to this schedule shall be used to replace any defective water lines and related equipment.

SECTION 5-11 (1) For the purpose of plant investment fee computation, the following amounts shall be assessed:

For each EQR unit where both the tap and all points  
of consumption are within the city: \$330.00

For each EQR unit where both the tap and all points  
of consumption is outside the city: two times the fees charged  
within the City.

SECTION 5-12 Computation and collection of plant investment fees -Table of equivalent residential units (EQR)

SECTION 5-13 Certificate of Occupancy

No certificate of occupancy shall be issued to any dwelling or to any water consuming addition to any existing service until all tap fees and plant investment fee have been paid. Arrangements for payment of systems development charges shall be allowed as provided by Section 5-14.

## SCHEDULE 11 MUNICIPAL COURT

### SECTION 11-1      Municipal Court Collection Fee

The Municipal Court shall impose a \$20.00 per case fee in all cases filed in the Municipal Court in which it is necessary for the defendant to consult with the Court Collections Officer for the purpose of making financial arrangements to pay a fine or when it is necessary for the Court Collections Officer to assist with the collection of fines, restitution, or other monetary amounts ordered by the Court.

### SECTION 11-2      Municipal Court Surcharge for Reimbursement of City Expenses

The Municipal Court incurs substantial costs in criminal cases (including criminal traffic) where the defendant fails to appear and a Failure to Appear (FTA) Warrant must be issued in the process. Accordingly, there is hereby imposed an Administrative Fee of \$150.00 per case to be collected in criminal cases filed in the Municipal Court in which a Failure to Appear Warrant is issued. This fee will be imposed in each criminal case in which a Failure to Appear Warrant is issued unless the defendant establishes by a preponderance of the evidence that the failure to appear was legally justified.

### SECTION 11-3      Civil Traffic Default Fee

The Municipal Court incurs substantial costs in civil traffic cases where the defendant defaults in the payment of a civil sanction, and the Court must take steps to collect the sanction and notify the Motor Vehicle Department pursuant to A.R.S. §28-1601. Accordingly, there is hereby imposed an Administrative Fee of \$30.00 per case to be collected in civil traffic case filed in the Municipal Court where the defendant defaults in the payment of a civil sanction.

### SECTION 11-4      Court Automation Fee

The Municipal Court has established a coordinated plan for the automation of cases and cash flow management, and seeks to offset the annual maintenance and support of automation equipment and programs. Accordingly, there is hereby imposed a Court Automation Fee of \$10.00 per case to be collected in cases filed in the Municipal Court.

### SECTION 11-5      Court User and Staffing Fee

There is hereby imposed a Municipal Court User Fee of \$30.00 to be collected in cases filed in the Municipal Court. This fee shall be collected as follows:

- 1) From the defendant as part of the fines, fees and surcharges imposed in each criminal action resulting in a conviction, said fee to be collected on each separate court for which the defendant is convicted.

- 2) From the defendant as part of the civil sanctions, fees and assessments in each civil traffic action in which a judgment is entered in favor of the City/State, said fee to be collected on each separate violation as to which a judgment is entered in favor of the City/State; and
- 3) From the defendant as part of a civil sanction in a civil action brought pursuant to Winslow City Code in which a judgment is entered in favor of the Plaintiff/City/State, said fee to be collected on each separate violation as to which a judgment is entered in favor of the Plaintiff/City/State.
